

Executive Officer

Finance & Support Services

- Senior position in a rural health organisation
- Castlemaine based
- Attractive salary package and conditions

Our client, **Castlemaine Health**, is a 257-bed accredited facility which combines acute care, rehabilitation, residential and community care. They are currently seeking an experienced and suitably qualified professional to undertake this key executive role. This is a unique position that offers an opportunity to enhance your professional career whilst enjoying an enviable rural lifestyle. As well as being close to Melbourne, Castlemaine is only half an hour from the regional city of Bendigo, one of Australia's fastest growing inland centres.

Reporting directly to the Chief Executive Officer, the Executive Officer Finance and Support Services is responsible for providing high level financial and business management advice for both Castlemaine Health and (under contract) Maldon Hospital. The role is required to support both respective Boards of Management. Reporting directly to the CEO, you will have prime responsibility for ensuring that the Boards of Management, Executive team and the relevant Government Departments receive timely, accurate and concise analysis of financial data. This will include assessing, planning and implementing financial and operational management strategies for the provision of a comprehensive range of corporate support functions. The role will ensure that appropriate business decisions are made to enable efficient and effective management of financial resources and support services.

To be a strong contender for this important position you will need a formal qualification in commerce, accounting or an equivalent discipline. Membership of the Australian Society of Certified Practising Accountants or the Institute of Chartered Accountants is desirable. You will be able to demonstrate an ability to work and lead a team and provide evidence of your analytical capabilities and relevant experience appropriate for this senior role. Experience in the health sector would be advantageous along with a demonstrated record of achievement in a similar role.

This role will appeal to a motivated individual who wants to build the organisation's future. This is a permanent, full-time appointment that will be based in Castlemaine. An attractive remuneration package is being offered and can be negotiated commensurate with your experience. Full position details can be obtained from our website at:
