

DISTRICT CHIEF FINANCE OFFICER

- **Central Queensland location**
- **\$165K+ remuneration package**

Our client, *Central Queensland Health Service District*, is one of fifteen Health Service Districts in Queensland providing a broad range of specialist medical care. The main centre is located at the Rockhampton Hospital with subsidiary service hubs also located in Emerald, Gladstone and Biloela. The District operates on an annual budget of approximately \$330 million. There are major capital and redevelopment initiatives in hand.

As the District Chief Finance Officer you will be an integral member of the District Executive Team, accountable to the DCEO for all financial operations of the District. In addition, you will be a participant in the wider, finance network which is comprised of senior accounting professionals throughout Queensland Health. The District Chief Finance Officer has a collegiate and professional relationship with the Chief Finance Officer, Corporate Services, who sets strategy, policy and practice direction for financial functions for Queensland Health.

To meet the requirements of the role you will have a degree in Business or Accounting and membership of a recognised professional accounting body is highly desirable. Demonstrated experience in the delivery of financial and business services at a senior/executive level will also be required.

An attractive remuneration package that includes a fully maintained vehicle will be negotiated with the successful applicant.
